I materiali a spessore 2 cm sono ricavati da taglio di lastre, perciò è possibile riscontrare differenze dimensionali in ragione di circa 2 mm rispetto alla misura nominale.

A 2 cm thick product comes from slab cutting, so a 2 mm difference in thickness (lower or higher) must be considered in respect to the nominal measure.

E' possibile, a richiesta fornire il materiale trattato
 Upon request, it is possible to supply the treated material

I prodotti sono forniti a spessore 1 cm. e assemblati su rete.

A richiesta i prodotti possono essere forniti anche in finitura burattata con un sovrapprezzo del 5% e in finitura satinata con un sovrapprezzo del 10%

E' possibile richiedere la fornitura di **miscele personalizzate** e il costo è calcolato in base alla percentuale di materiale utilizzato applicando un sovrapprezzo del 10%

Unità di vendita: 1 scatola (5 fogli)

All the products are supplied mesh-mounted and 1 cm thickness.

On request, they can be supplied in tumbled finishing with an extra 5% and in honed finishing with an extra 10%.

Personalised mixtures can be requested; their cost is calculated according to the percentage of the material used, plus an extra 10%.

Sale unit: 1 box (5 sheets)
